Heavy Metals	\$100
Scientific Consultation	\$200/hr
Rush fee: (per sample)	
3-day (single test)	\$55
3-day (multiple tests)	\$75

**Volume discount:** Receive 10% off your order when you submit 10 or more samples at a time.

**Turnaround time:** Guaranteed turnaround time: 5 business days, we strive for less, but good science takes time!

**\*Chemistry Formulation Lab set-up fee:** We recommend this option when submitting a new formulation to us for the first time, particularly edibles, topicals, tinctures or capsules. We investigate several different extraction and prep parameters to ensure reliable results. Including the product ingredient document is important for us to consistently check different formulations repeatedly.

**Payment:** on delivery of samples. **Pay by cash, check or money order.** ATM onsite for your convenience. We do not process electronic payments, but invoicing options are available for established clients in good standing.

**Contact us:** Don't hesitate to call our front desk for general questions (253-382-6900) or email [info@medicinecreekanalytics.com](mailto:info@medicinecreekanalytics.com). Call our Science Director (253-320-8530) to discuss any questions you have regarding your results, formulations, or our testing protocols.

If you need a courier service, we partner with Cannavan (509-590-7990), Sasquatch Logistics (206-491-6038) and Terpene Transit (360-603-0029) feel free to contact them directly or we can schedule a pickup for you.
